If your club is having any function for Sunfish racers, please let me know and I will tell the group.

The Sunfish class has a new web site that is really worth a visit to see what is happening in the class. www.sunfishclass.org

If you are not currently a member of the class, you can join on this site. One new benefit to joining is that we are currently working with several companies to give discounts to class members.

Please pass this on or forward it to anyone you think might be interested.
